

# AIR TRANSPORTATION

We provide continuous tracking and door to door service with unlimited pick up and delivery options.

## PERFORMANCE AND FLEXIBILITY

From Next Flight Out to Deferred Services, Panther offers the most flexible solutions in the industry.

Our global network is designed to adapt to the dynamic needs of our customers. With a comprehensive set of delivery options, Panther provides continuous tracking, specialized equipment, and door-to-door service to and from anywhere in the world.

We also offer value-added services, such as shipping of dangerous goods, hold-for-pick-up, liftgate services, customs clearance, cargo insurance, and documentation services. We manage details, so you don't have to.

To book a shipment call 866.347.2101.

## TECHNOLOGY

Use our advanced, online technology, to quote book and track air freight or view inbound shipment details.

Our unique ability to build route and rates in real time allow customers to buy up or buy down based upon service parameters.

## AIR CHARTER

When you need exclusive air options for critical shipments, Panther delivers. Our services include:

- 24/7/365 availability
- Low-cost, one-way rates
- Virtually any type of aircraft
- Shipments up to 250,000 pounds
- Proactive, milestone communication
- Door-to-door service, worldwide
