Panther Premium LogisticsSM Named Bosch Preferred Supplier

- Award represents achievements in supply chain for the 2013-2014 time frame

SEVILLE, Ohio, October 14, 2014 — Panther Premium LogisticsSM, an ArcBest Company (Nasdaq: ARCB), was recently named a Preferred Supplier by the Bosch Group in the courier-express-parcel materials group for the 2013-2014 time period.

"We are honored to receive this recognition," said Panther Premium Logistics President and Chief Executive Officer R. Louis Schneeberger. "This achievement acknowledges the hard work and dedication of our employees to make Panther not just a 'carrier' but a strategic supply chain provider. We look forward to growing our relationship with Bosch as a supplier and will continue to strive for excellence."

To be a Preferred Supplier, Bosch nominates one logistics provider annually to then be approved by Bosch Group's Germany headquarters. The selection is based upon evaluation of suppliers' technological competence, product and logistics quality, entrepreneurial potential, price-performance ratio and production concept.
